TRUSTEE'S NOTICE OF INTENT TO SELL AT PRIVATE SALE

NOTICE OF OPPORTUNITY TO OBJECT AND FOR HEARING

Pursuant to Local Rule 2002-4, the Court will consider this motion, objection, or other matter without further notice or hearing unless a party in interest files an objection within 21 days from the date this paper is entered on the docket. If you object to the relief requested in this paper, you must file your objection with the Clerk of the Court at 300 North Hogan Street, Ste. 3-350, Jacksonville, Florida 32202, serve a copy on the movant's attorney at his address indicated below and a copy to the U.S. Trustee, George C. Young Federal Building, 400 West Washington Street, Suite 1100, Orlando, Florida 32801.

If you file and serve an objection within the time permitted, the Court will schedule a hearing and you will be notified. If you do not file an objection within the time permitted, the Court will consider that you do not oppose the granting of the relief requested in the paper, will proceed to consider the paper without further notice or hearing, and may grant the relief requested.

The trustee gives notice that he intends to sell the following property of the bankruptcy estate: 2004 Toyota Camry Sedan LE, VIN 4T1BE32K44U907371 for the total sum of \$3,000.00, to be paid in twelve monthly installments of \$250.00 per month to the trustee, commencing March 1, 2014. The sale is as is with all faults. There are no warranties, either express or implied. The sales price is related to the values on the schedules less available exemptions. The property is not subject to a lien. The purchaser is the debtor. There are no negative tax consequences. The trustee believes that selling to the debtor will net more for the estate than by selling to third parties because it saves the costs of transport, storage and liquidation, e.g., auctioneer's fees.

The trustee reserves the right, without a penalty, to withdraw this offer of sale at any time. This sale will not become final until after the expiration of the 21-day objection period set forth above and/or a favorable disposition of any objections to the sale. The trustee, until the expiration of the time within which parties may object to the proposed sale, will entertain any higher bids for the purchase of the asset(s) being sold. Such bids must be accompanied by a deposit of twenty percent (20%) of the proposed higher purchase price. Any higher bid must be received by the trustee at the address listed below no later than twenty one (21) days from the date of this notice. Should a higher bid be received, the trustee will conduct a telephone auction between the original purchaser named in this notice and the additional bidder(s) at the earliest reasonable time.

Dated February 12, 2014.
